

## **Are **YOU** ready to be a Connecting Neighbors Ambassador?**

Connecting Neighbors is a curriculum intended for broad use by volunteers willing and able to facilitate workshops and webinars with the **goal** of inspiring congregations and communities to be better able to minimize disaster-caused harm to people and property and to respond to our neighbors in helpful, cooperative and caring ways on behalf of the church and in the spirit of Jesus Christ.

One way UMCOR is helping congregations be able to respond from a place of strength is investing in YOU! We would love to have you as an Ambassador, regardless of your experience in disaster response or using Connecting Neighbors. As an Ambassador you will be equipped to lead, guide and nurture an effective Connecting Neighbors workshop within your church and others within their area.

If you are interested, join us for a 1-hour Connecting Neighbors Overview. This session will introduce you to the purpose of Connecting Neighbors, the design of the curriculum and provide you with the next steps necessary for your journey to becoming a Connecting Neighbors Ambassador.

Connect with Angela Overstreet at [aoverstreet@umcor.org](mailto:aoverstreet@umcor.org) to find out when the next Connecting Neighbors Overview is or how you can request an Connecting Neighbors Overview workshop.

Grateful to be in service with you –
