Statement:

I believe our church is at a breaking point. Discernment is needed every step. Lives are broken. I am willing to step in where others may be exhausted, for I was made for such a time as this. General Conference 2020 will once again bring the UMC into a global spotlight. I celebrate diversity and difference, but no longer at the blood shed by our siblings in Christ. We must reject hate at all levels, including within the collective body of the UMC.
