Conference: Legacy Rocky Mountain

Service:

- Member of Board of Ordained Ministry
- Chair of Peaks New Ministry Council/ member previous to this past year

I am willing to serve as a reserve delegate to Jurisdictional Conference.

Statement:

My passion for ministry is to worship God, inspire Love and nurture discipleship. I believe my passion to see the future of our church become an embodiment of our theological task in our area is a good reason for my election to the Jurisdictional Conference. My experiences in ministry prepare me for this journey. I have served as an observer to General Conference in 2012 and a representative to Jurisdictional Conference that same year. I appreciate the work of the Jurisdiction and I embrace the inclusive stance of our Jurisdiction. Please consider me as one of your Jurisdictional Representatives.
