I am willing to serve as a reserve delegate to Jurisdictional Conference.

Statement:

I am interested in serving as a delegate, addressing how the gifts and graces I bring will help with the task of dealing with the major issues facing The United Methodist Church in the next four years. I would like to give my own two cents as a youth member and what I think when it comes as major decisions that affect the church and its community. I am just one person in my community, but that does not mean that I don't have personal opinions when it comes to who should be accepted in our church community
