I am willing to serve as a reserve delegate to General and Jurisdictional conferences.

#### **Why do you seek election to the General Conference delegation?**

Having served on past delegations, I have built trust and authenticity within the Western Jurisdiction and with other delegations within the US and Central Conferences. I have respect for all theological perspectives within the church. I believe we're all on a faith journey and not at a destination. We have a lot to learn from one another.

#### **What is your passion in ministry and how do you live it out?**

My passion is to continue to grow in the knowledge of God and our Savior Jesus Christ. I live out this passion by immersing myself in weekly bible study with other Christians from different faith perspectives. We wrestle with the Word of God as it speaks to our daily lives. Something of note to me is that the same passage speaks to us individually and differently.

#### **How will your passion in ministry inform your decisions if elected?**

I will be led by the axiom "do no harm, do good and stay in love with God!"

#### **What are the one or two most significant questions for the General Conference and how would you respond to them?**

What about your understanding of human sexuality will dissuade your making disciple of Jesus for the transformation of the world? What about the "One Church Plan," impacts your making disciples of Jesus Christ, from your faith perspective negatively? For me the answer is nothing!
