What is your vision for the laity in the Rocky Mountain Conference? --limit to 150 words

What are your gifts to accomplish this vision?

What do you see as God's yearning for us as the "church" in the 21st Century?

I have read the 2016 Book of Discipline pages 419-420, paragraph 607, and the RMC Annual Conference Standing Rules and Operational Procedures 2.6 on the responsibilities and election of Conference Co-Lay Leaders. I have prayerfully considered this calling and commit to fulfill the responsibilities.
