RIM is designed to bring people together who are on diverse ministry paths moving towards ordination while seeking to learn and grow. Some of the growth you experience may be in renewing friendships and building relationships. And, it may be in developing new spaces for your mind and ministry to grow. It is also an opportunity to build collegial and supportive networks in your ministry life.

Family Systems Theory

“The family systems theory is a theory introduced by Dr. Murray Bowen that suggests that individuals cannot be understood in isolation from one another, but rather as a part of their family, as the family is an emotional unit.”
(Genopro.com)

As clergy within a denomination, learning how we each operate within a family dynamic - be it our family of origin, of choice or ministry setting, is important to how we carry out the day to day tasks of that ministry.

Guest Presenter, Pam... will be with us for this time as we explore....

Logistics

We recognize that starting on a Sunday afternoon means you'll need to take a Sunday off if you are in a church setting. The RIM team is aware of the hardship this poses for solo pastors and those who may be traveling a great distance.

Please contact your Congregational Resource Minister to help if you are in need of pulpit supply for Sunday morning.

Please note ALL the options on your registration form: arriving early (Saturday night), staying for Clergy Orders, what meals you will eat, sharing room etc.

Lunch on Sunday, October 13 will **not** be provided by RIM. Please eat before the RIM event begins.
