

## Mountain Sky Conference (915) 2022 Comprehensive Benefit Funding Plan

This funding plan incorporates, to the best of our understanding, the plan sponsor's obligations and funding of the benefits provided to clergy and laity, as noted below.

It is understood by the signees that defined benefit plan liabilities [Pre-82 Plan, Ministerial Pension Plan (MPP) and Clergy Retirement Security Program Defined Benefit (CRSP DB) and other sponsored defined benefit plans] continue until the last benefit is paid to participants and their surviving spouses irrespective of the funding level of the plan. That is, even if the assets in the plan are larger than the liabilities in the plan, the plan sponsor still has a liability (obligation) and potential future contribution due to the plan.

## Clergy Retirement Security Program (CRSP)

**Plan Overview:** The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code section 403(b) retirement program providing lifetime income and account flexibility designed for those who serve as clergy of The United Methodist Church. The plan is designed to provide participants with one portion of their overall retirement benefits. CRSP replaced the Ministerial Pension Plan (MPP) effective January 1, 2007.

CRSP consists of two components:

- A defined benefit (DB) plan--provides a monthly benefit at retirement based upon years of credited service to the Church
- A defined contribution (DC) plan--provides a retirement account balance established and funded by the annual conferences

## Ministerial Pension Plan (MPP)

**Plan Overview:** Supplement Three to the Clergy Retirement Security Program (CRSP), also known as the Ministerial Pension Plan (MPP) provides clergy with a pension benefit for their years of ministry with The United Methodist Church from 1982 through 2006. MPP is an Internal Revenue Code section 403(b) retirement plan. MPP requires that exactly 65% of the account balance must be annuitized when it is to be distributed. The remainder may be rolled over to UMPIP, another qualified plan or an IRA, or paid in a lump sum.

## Pre-82 Plan (Pre-82)

**Plan Overview:** Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-82 Plan, provides clergy with a pension benefit for their years of ministry with The United Methodist Church prior to 1982. The Pre-82 Plan was replaced by MPP effective January 1, 1982. If a clergyperson retires within the conference (and does not terminate), the minimum benefit payable is based on two factors:

- 1) Years of service with pension credit--approved by each conference on the recommendation of the Conference Board of Pensions (CBOP) in accordance with plan provisions and The Book of Discipline.
- 2) The conference pension rate (past service rate)--the dollar amount chosen by the conference as the amount payable for each approved year of service with pension credit (may change from year to year).

The number of years of service with pension credit is multiplied by the PSR, and the product is the minimum annual benefit payable to those clergy eligible for Pre-82 Plan benefits. In certain situations, the benefit received from the Pre-82 plan may vary based on the applicability of what is referred to as Defined Benefit Service Money (DBSM), which is the defined contribution feature of the Pre-1982 Plan. At the time that a participant retires, the DBSM account is converted to a life-based benefit. At that point, the clergy's benefit is the greater of the PSR benefit or DBSM benefit. If the conference increases the PSR, the clergy's benefit is recalculated; however the DBSM-based benefit does not change.

## Comprehensive Protection Plan (CPP)

**Plan Overview:** The Comprehensive Protection Plan (CPP) provides death, long-term disability and other welfare benefits for eligible clergy of The United Methodist Church and their families. It is an Internal Revenue Code 414(e) “church plan” funded by plan sponsor insurance premiums. Generally, clergy are eligible to participate in CPP if they satisfy the eligibility requirements, including full-time appointment with plan compensation of at least 25% of the Denominational Average Compensation (DAC). Plan sponsors may elect to cover participants with three-quarter time appointments and/or to continue to cover clergy who, due to certain leaves or appointments, are not otherwise eligible to continue coverage.

The CPP adoption agreement executed by the MOUNTAIN SKY contains its elections to cover or not to cover categories mentioned above.
