

**PETITION
to the
2021 MOUNTAIN SKY CONFERENCE**

TITLE: DISAFFILIATION OF CHEYENNE WELLS UNITED METHODIST CHURCH pursuant to Discipline Paragraph 2553

ACTION TO BE VOTED ON:

- 1 Does the Mountain Sky Annual Conference consent to the disaffiliation of Cheyenne Wells United
2 Methodist Church as a local church of The United Methodist Church?

RATIONALE (Not debatable):

1 The 2019 Special General Conference enacted new Paragraph 2553 to the Book of Discipline which sets
2 forth a process for the disaffiliation of a local church from The United Methodist Church for reasons related
3 to human sexuality. Paragraph 2553 authorizes the conference board of trustees to negotiate the terms of
4 local church disaffiliation. Paragraph 2529.1(b)(3) authorizes an annual conference to consent to the local
5 church's disaffiliation. Paragraph 2553 sets forth mandatory and discretionary terms for any such
6 disaffiliation.

7
8 The Conference Board of Trustees has followed all directions under Paragraph 2553. The Conference
9 Board developed and published its template for a Disaffiliation Agreement which was patterned on a
10 template developed by the General Council on Finance and Administration. As part of its process, the
11 Conference Board sought the advice of the cabinet, the Conference treasurer, the Conference benefits
12 officer, the Conference director of connectional ministries and the Conference chancellor, among others.
13 Additionally, the Conference Board developed and published Implementation Procedures and an Outline of
14 Steps for guidance to local churches choosing to disaffiliate under Paragraph 2553.

15
16 Cheyenne Wells United Methodist Church ("Cheyenne Wells UMC") requested disaffiliation from The
17 United Methodist Church pursuant to Paragraph 2553 and complied with all the conditions precedent under
18 Paragraph 2553. There then ensued negotiations between the Conference Board and Cheyenne Wells UMC
19 which resulted in a Disaffiliation Agreement and related Exhibits authorized by the Conference Board and
20 signed by Cheyenne Wells UMC.

21
22 Conference ministry leaders determined there was not a viable opportunity for vital United Methodist
23 ministries in this locality. Accordingly, the Conference Board did not require payment for the release of the
24 denominational trust interest from church property. Instead, the Conference Board and Cheyenne Wells
25 UMC agreed to insert provisions in the quit claim deed releasing the denomination trust which places
26 restrictions on the sale or transfer of church property after the disaffiliation process is concluded. Generally,
27 if the property ceases to be used as a house of worship in the ten years following the effective date of
28 disaffiliation, the Cheyenne Wells Church or its successor in ownership of the property shall pay the

29 conference a percentage of the value of the property or sales price. In all other respects, the local church has
30 agreed to pay all other obligations imposed by Paragraph 2553, including unpaid mission shares and
31 apportionments, unfunded retiree healthcare, and unfunded pension liabilities.

32
33 Under Paragraph 2529.2(b)(3), the Conference must consent to the disaffiliation of Cheyenne Wells UMC
34 as a pre-condition to disaffiliation. Annual conference must ratify the Disaffiliation Agreement by simple
35 majority vote. There is no requirement under Paragraphs 2529.1(b)(3) and 2553 that the Disaffiliation
36 Agreement must be published or made available to the annual conference delegates before the delegates
37 vote on the petition consenting to Cheyenne Wells UMC's disaffiliation.

38
39 The Conference Board requests the Mountain Sky Conference to consent to the disaffiliation of Cheyenne
40 Wells United Methodist Church from The United Methodist Church.

41
42 One further note: the Disaffiliation Agreement recognizes the challenge to voting at the 2019 Special
43 General Conference now pending before the Judicial Council. Both parties have agreed to proceed with
44 disaffiliation regardless of the outcome of that challenge.

EVALUATION (Not debatable):

1 Following annual conference consent to disaffiliation, the Conference Board will monitor payments
2 required under the agreement and deliver the quit claim deed releasing all property from any trust interest,
3 as further provided in the Disaffiliation Agreement.
