48 presenting, assisting leadership, or a promoted attendee allowed to speak and be
49 seen by everyone attending the conference. “Attendee” is an individual who is able
50 to see and hear what is happening, but must be given access to speak and be seen
51 by the presiding officer.
52
- 53 6. The most recent version of these instructions published prior to opening plenary session
54 are deemed incorporated into these Session Rules and will be used to govern decisions
55 made during the annual conference session.
56
- 57 7. These Session Rules will be presented for adoption with a 2/3 vote in the opening
58 plenary session. Special Rules for the annual conference session may also be adopted
59 with a 2/3 vote. Conference Session Rules and Special Rules may be suspended with a
60 2/3 vote. A motion to suspend the rules is considered with a presentation but without
61 debate. Once adopted, these Session Rules remain in effect until modified or suspended
62 in an annual conference session.
63
- 64 8. These Session Rules may be amended from the floor of the annual conference session.
65 Any such amendment will require a two-thirds vote of the voting body.
66

68 presiding officers for the laity session are the two current Conference co-lay leaders.
69

70 **B. Membership and Setting the Bar.**
71

- 72 1. The bar will be set through the conference registration process.
73
- 74 2. Members authorized to vote will be screened when they register and issued a voter-
75 unique identifier code for use in voting.
76
- 77 3. Only persons using their voter-unique identifier will be permitted to vote.
78
- 79 4. The voter-unique identification issued to each person secures the ballots so that only
80 registered and authorized attendees can vote.
81
- 82 5. The voter-unique identifier will screen according to lay and clergy categories, as
83 otherwise provided in the *Discipline*.
84
- 85 6. The voter-unique identifier relies on the technology of the digital platform process and
86 will not be independently monitored by human eyes unless a proper challenge is made
87 to the qualifications of a given voter and this challenge is recognized by the presiding
88 officer.
89
- 90 7. All lay and clergy members of the Mountain Sky Annual Conferences have privilege
91 of the floor and may address any issue before the body.
92

- 93 8. Membership and formulas for lay/clergy equalization shall be those in effect for the
94 2017 sessions of the Rocky Mountain and Yellowstone Annual Conferences.

105 **C. Voting and Quorum.**

- 106
107 1. Voting is authorized by the following methods as called for by the presiding officer:
108
109 a. Voting for specific action. This method will be used generally for votes requiring a
110 majority or super-majority vote. Examples of majority vote actions include
111 approval of the conference budget, the nominations report and annual conference
112 petitions. Examples of super-majority votes are certain clergy classifications and
113 certain parliamentary votes.
114
115 b. Voting by class or slate of candidates. This method may be used for certain clergy
116 classification votes and for other votes where deemed expedient or proper by the
117 presiding officer.
118
119 c. Voting by ranked-choice. Qualified voters will be asked to vote for their top choices
120 from the slate of candidates otherwise qualified to stand for election. The candidate
121 receiving the most votes after one ballot shall be deemed **elected**.
122
123 d.
124
125 2. A majority vote is more than half. A 1/3rd vote is at least 1/3rd. A 2/3rd vote is at least
126 2/3rd.
127
128 3. Petitions to organizations beyond the Mountain Sky Conference and petitions to
129 General Conference require an 80% vote for adoption.

135 5. For all purposes, a quorum shall be all members present and able to vote.
136
137 6. The digital voting platform is designed to provide an accurate vote count following the
138 close of a vote. A report will be made on each vote taken in as timely a manner as

permitted by the limits of the digital platform, technology and human efforts.

7. "All motions and amendments made during the annual conference session must be submitted in writing prior to being recognized on the floor. This shall be done by using the "Get Recognized" on the voting platform. For lengthier motions or amendments (exceeding a short paragraph or 1023 characters), the proponent must first use the "Get Recognized" feature to signal that a motion or amendment is forthcoming, and then use the following GNTV email to transmit the body of the motion or amendment: ac@gntv.info."
8. Reports, presentations and other materials to be distributed to conference attendees shall be submitted to the Conference Director of Communications prior to the annual conference session at ewarren@mtnskyumc.org. Deadlines apply for submission of such materials.

D. Debate.

1. The debate process during the annual conference session will generally follow the GNTV instructions. These instructions include:
 - a. Individuals wishing to speak, whether online or in-person, can only be recognized by using the "Get Recognized" feature to express why they want to be recognized. These expressions are queued for the presiding officer.
 - b. Utilize the "Get Recognize" feature to indicate why you want to speak. For example: Ask a Question; Motion; Amendment; Second; Call the Question; Point of Order; Moment of Personal Privilege; and so forth.
 - c. When asking the presiding officer to be recognized in order to speak, please include the text of your request in the space provided. For example, for a Motion, Amendment, Question or Point of Order you must include the text of the item you seek to bring before the body for consideration or discussion. This must be done in accordance with Rule C(7) above.
 - d. Once recognized by the presiding officer, the attendee should use the "Raise Hand" feature to be identified in the attendee list and their microphone will be enabled by GNTV. The attendee then needs to unmute and begin speaking.
 - e. Please note that the "Chat" feature will be disabled during the annual conference session. Attendees cannot use the "Chat" feature to be recognized or take other action during debate or voting.
2. The presiding officer at any given session shall have the discretion to recognize who speaks to any matter and in what order. A member is not entitled to speak to a matter until recognized by the presiding officer.

3. The presiding officer may declare a recess in proceedings at any time, subject to the call of this officer, to address technical difficulties with respect to such proceedings.
4. The presiding officer may order the tabling or postponement of any motion, amendment or other matter on the floor to permit a sidebar discussion. The presiding officer may re-call the tabled matter at the next convenient time.
5. Members shall speak no more than twice on a given item. In addition, the presenter of the motion, or person designated by the presenter, shall be entitled to no more than three minutes to close the debate. It shall be the privilege of the presiding officer to request the following procedure for debate: to recognize alternately someone for and someone against the issue, and, when possible, give balance to clergy and lay members. A timer should appear on the speaker’s screen once recognized to speak by the presiding officer.
6. The presiding officer shall have the discretion to expand debate on any amendment. A motion to expand debate is also in order from the floor with a two-thirds majority required for passage.
7. Limitation on debate. When the presiding officer determines the agenda to be behind schedule, the presiding officer may declare that debate on motions and amendments shall be limited to 2 speeches for and 2 speeches against, not to exceed 2 minutes per speech. This limitation shall include allowing any member to speak only once on a given item. If the presiding officer determines the agenda has returned to schedule, the presiding officer may declare the limit on debate to be lifted. At any time when this limitation is in effect, any member of the body may move to suspend the limitation for a particular item or series of items. Such a motion is not debatable and requires a two-thirds majority.
8. Budget. The vote on any proposed conference budget shall be with respect to the bottom line or total budget, and not the line items on the budget.

E. Petitions.

1. All proposals for action at the 2022 annual conference session will be initiated by petition and presented in one of two forms:
 - a. Binding Action requesting a specific action by the annual conference. This form uses declarative action such as “shall” or “expects” and assumes that action will be taken by the appropriate conference group.
 - b. Non-Binding Resolution presenting a position either theological, social, political or otherwise. This form uses aspirational language such as “recommends” or “urges” and is not considered to be binding or enforceable.
