

Colorado Council of Churches

Walking together in faith, working together for justice.

June 15, 2017

Dear Rocky Mountain Conference of The United Methodist Church clergy and laity,

On behalf of the Colorado Council of Churches ("CCC"), I bring you ecumenical greetings as you gather for your 2017 Annual Conference in Denver, Colorado. The CCC's mission is "Walking Together in Faith, Working Together for Justice," and we are proud that the Rocky Mountain Conference of The United Methodist Church is one of our covenanting denominations. Our ecumenical and social justice work is much stronger because you are a part of us.

We are inspired by this year's theme of "Living into Beloved Community," and we are eager to find out what you have in store for 2017 and beyond! People of faith are now, more than ever, called to be prophetic witnesses in our society. We hope that you have a blessed annual conference, and we look forward to joining you as you spread God's love.

Peace and Grace,

Adrian Miller
